

## PROGRAM OVERVIEW

The AS to BS Degree Post Primary Certification program is designed for individuals holding both an associate's degree and a certification in radiography, radiation therapy, nuclear medicine technology, or sonography from the American Registry of Radiologic Technologists (ARRT), the Nuclear Medicine Technology Certification Board (NMTCB), or the American Registry of Diagnostic Medical Sonography (ARDMS) who would like to continue their education to the baccalaureate level focusing on post primary certification through the ARRT. This program requires each student to choose one post primary area of specialization including one of the following: computed tomography (CT), magnetic resonance imaging (MRI), mammography, vascular interventional radiology.

## APPLICATION REQUIREMENTS

### GPA of 2.50 or higher

A minimum 2.50 cumulative GPA is required in all coursework taken at any accredited institutions.

### Prerequisite Courses

All prerequisite courses or their equivalents must be completed with a **C- or higher by the end of spring semester.**

### Online Application

[The application is available online](#), which must be completed and submitted with all required supplemental documents if applicable. [Application FAQ can be found here.](#)

### Letters of Recommendation

Three letters of recommendation (one addressing academic experience, one addressing clinical experience, and one addressing personal attributes) must be uploaded to the application.

### Proof of Certification

A copy of applicant's Certification Card must be uploaded to the application.

## PREREQUISITE COURSES

*These courses must be completed prior to admission to the major. Ohio State course numbers shown below.*

**Math 1148 or higher**

**Anatomy 2300, 3300, or EEOB 2510**

**Human Physiology (EEOB 2520 or  
PHYSIO 3200)**

**Statistics 1350.01 or 1450.01**

**HTRHSC 5500**

## APPLICATION DEADLINE

The Radiologic Sciences and Therapy program admits students once per year, with students beginning the program in the Summer term. The application deadline for Summer 2023 is January 31, 2023. The professional program will begin May 9, 2023.

## DEGREE REQUIREMENTS

The minimum total hours to graduate from The Ohio State University with a Bachelor of Science in Health and Rehabilitation Sciences is 120 credit hours. **Thirty credit hours must be completed at The Ohio State University** to establish residency for graduation. Please be advised that the credit hours for the professional coursework **will not meet the residency requirement.**

Students should [reference their degree audit](#) to ensure they are completing all required components of the degree program. This includes general education, program prerequisites, and professional curriculum. The curriculum includes all knowledge and practical skills required for professional credentialing.

REHABILITATION SCIENCES

## Summer

Course	Credits
RadSci 4530 – Quality Management in Radiologic Sciences	3
<a href="#">GE</a>	0-13
<b>Total</b>	<b>3-16</b>

## Autumn

Course	Credits
RadSci 3200* – Evidence Based Practice in the Radiologic Sciences	2-3
HTHRHSC 5510 – Pharmacology	2
Advanced Radiography Practicum (Choose One):	3
RadSci 5089 – CT Practicum	
RadSci 5189 – MRI Practicum	
RadSci 5289 – Mammography	
RadSci 5489 – RadSci Education	
RadSci 5589 – Vascular Intervention	
<a href="#">GE</a>	0-8
<b>Total</b>	<b>11-16</b>

## Spring

Course	Credits
RadSci 4326 – Management Strategies in Radiologic Sciences	2
Advanced Radiography Practicum (Choose One; Must be in the same modality as AU):	3
RadSci 5089 – CT Practicum	
RadSci 5189 – MRI Practicum	
RadSci 5289 – Mammography	
RadSci 5489 – RadSci Education	
RadSci 5589 – Vascular Intervention	
<a href="#">GE</a>	0-6
HTHRHSC 4100	1
<b>Total</b>	<b>6-11</b>

\*Starting Spring 2023, HTHRHSC 4200 will replace RADSCI 3200

Students interested in specializations that are not within the usual scope of practice of their primary area of certification should follow the traditional Radiologic Sciences and Therapy curriculum for their new area of interest. Additionally, students interested in quality management/administration should follow the online administration/management. The above plan demonstrates how students may complete the post primary certification program in 3 terms.

The professional curriculum is completed in sequence and students may complete the program on a **part-time basis**. However, there **is no provision for evening-only enrollment**. The timeline will vary depending on the amount of general education courses the student needs to complete. These requirements depend on each individual student's academic record. Please speak with an HRS advisor for more information.

Students who intend to transfer credit to Ohio State may view how credit is accepted on [Transferology.com](https://www.transferology.com).

Ohio State academic programs are designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure and certification and state licensing board contact information [here](#) for online programs and [here](#) for on-campus programs.
