

## PROGRAM OVERVIEW

Ohio State's health sciences program is a foundational undergraduate degree that introduces students to the healthcare field and provides in-depth science learning. Graduates go on to work in healthcare positions or pursue advanced graduate programs. At Ohio State, graduate school options include a PhD program in health and rehabilitative sciences and graduate professional studies in such areas as medicine, dentistry, occupational therapy or physical therapy.

## APPLICATION REQUIREMENTS

- 1 GPA of 2.50 or higher**  
A minimum 2.50 cumulative GPA is required in all coursework taken at any accredited institutions.
- 2 Prerequisite Courses**  
Students who wish to apply to the Health Sciences program must complete **all prerequisite courses** or their equivalent with a **C- or higher before starting the program**.
- 3 Online Application**  
The application is available online, which must be completed and submitted with all required supplemental documents if applicable. Application FAQ can be found here.

*It is the student's responsibility to meet with an HRS advisor to verify all requirements for the program. Completing the Health Sciences professional course work without admission into the Health Science program does not guarantee admission into the program or graduation with a degree.*

## APPLICATION DEADLINES

The Health Sciences program admits students each semester. The application has a priority deadline and a final deadline. **Students are strongly encouraged to apply by the priority deadline** in order to register for courses in a timely manner.

	Priority Deadline	Final Deadline
Spring 2021	October 15, 2020	November 11, 2020
Summer 2021	February 28, 2021	March 12, 2021
Autumn 2021	February 15, 2021	June 24, 2021

## DEGREE REQUIREMENTS

The minimum total hours to graduate from The Ohio State University with a Bachelor's of Science in Health and Rehabilitation Sciences is 120 credit hours. **Thirty credit hours must be completed at The Ohio State University** to establish residency for graduation.

Students should [reference their degree audit](#) to ensure they are completing all required components of the degree program. This includes [general education](#), program prerequisites, corequisites, and 12 core major courses.

**International applicants:** countries may or may not regulate distance education provided to students in its jurisdiction and may or may not require foreign higher education institutions to comply with distance education regulations. At this time, Ohio State University cannot guarantee that a program meets curriculum requirements in your country.

This curriculum guide is a suggested plan, and may vary with each student. Students may complete the coursework on a part-time basis, however, course offerings by semester are subject to change. Students may choose to take courses over summer terms as well. Students who intend to transfer credit to Ohio State may view how credit is accepted on [Transferology.com](https://www.transferology.com).

\*The number of GE requirements listed is an estimate. These requirements may be more or less depending on each individual student's academic record.
