

## PROGRAM OVERVIEW

Ohio State's health sciences program is a foundational undergraduate degree that introduces students to the healthcare field and provides in-depth science learning. Graduates go on to work in healthcare positions or pursue advanced graduate programs. At Ohio State, graduate school options include a PhD program in health and rehabilitative sciences and graduate professional studies in such areas as medicine, dentistry, occupational therapy or physical therapy.

## APPLICATION REQUIREMENTS

- 1 GPA of 2.50 or higher**  
A minimum 2.50 cumulative GPA is required in all coursework taken at any accredited institutions.
- 2 Prerequisite Courses**  
Students who wish to apply to the Health Sciences program must complete **all prerequisite courses** or their equivalent with a **C- or higher before starting the program.**
- 3 Online Application**  
[The application is available online](#), which must be completed and submitted with all required supplemental documents if applicable. [Application FAQ can be found here.](#)

*It is the student's responsibility to meet with an HRS advisor to verify all requirements for the program. Completing the Health Sciences professional course work without admission into the Health Science program does not guarantee admission into the program or graduation with a degree.*
