PROGRAM OVERVIEW
Ohio State’s health sciences program is a foundational undergraduate degree that introduces students to the healthcare field and provides in-depth science learning. Graduates go on to work in healthcare positions or pursue advanced graduate programs. At Ohio State, graduate school options include a PhD program in health and rehabilitative sciences and graduate professional studies in such areas as medicine, dentistry, occupational therapy or physical therapy.

APPLICATION REQUIREMENTS
1. GPA of 2.50 or higher
   A minimum 2.50 cumulative GPA is required in all coursework taken at any accredited institutions.

2. Prerequisite Courses
   Students who wish to apply to the Health Sciences program must complete all prerequisite courses or their equivalent with a C- or higher before starting the program.

3. Online Application
   The application is available online, which must be completed and submitted with all required supplemental documents if applicable. Application FAQ can be found here.

   It is the student’s responsibility to meet with an HRS advisor to verify all requirements for the program. Completing the Health Sciences professional course work without admission into the Health Science program does not guarantee admission into the program or graduation with a degree.

APPLICATION DEADLINES
The Health Sciences program admits students each semester. The application has a priority deadline and a final deadline. Students are strongly encouraged to apply by the priority deadline in order to register for courses in a timely manner.

PREREQUISITE COURSES
These courses must be completed prior to admission to the major. Ohio State course numbers shown below. Please speak with an advisor to discuss other potential course choices.

College Level Math
   MATH 1148 or higher

Anatomy
   ANATOMY 2300, 3300, or EEOB 2510

Human Physiology
   EEOB 2520 or PHYSIO 3200

Three Sciences (at least one course with lab)*
   Biology 1101, 1102, 1110, 1113, 1114
   Chemistry 1110, 1210, 1220
   Physics 1200, 1201
   Human Nutrition 2210, 2310
   Microbiology 4000.01

*These courses should be selected based on your post-graduation program of interest. Please see page 2 of this document for Pre-Graduate Entry Nursing suggestions.

COREQUISITE COURSES
These courses must be completed prior to graduation. They are not required for admission. Ohio State course numbers shown below.

Psychology
   PSYCH 1100

Sociology
   SOCIOLOGY 1101 or RURLSOC 1500

Medical Terminology
   HTHRHSC 2500 or CLASSICS 2010

Statistics
   STATS 1350.01 or 1450.01

DEGREE REQUIREMENTS
The minimum total hours to graduate from The Ohio State University with a Bachelor’s of Science in Health and Rehabilitation Sciences is 120 credit hours.

Students should reference their degree audit to ensure they are completing all required components of the degree program. This includes general education, program prerequisites and corequisites, 12 core major courses, 12 credit hours of major elective courses, and a required minor. The minor requirement is waived for any student with an earned associate’s degree of any kind.

Courses in red are prerequisites for Ohio State’s Graduate Entry Nursing program. Prerequisites may vary by institution.

This curriculum guide is a suggested plan, and may vary with each student. Students may complete the coursework on a part-time basis, however, course offerings by semester are subject to change. Students may choose to take courses over summer terms. Many courses are offered online or in-person. You may review online offerings here.

Students who intend to transfer credit to Ohio State may view how credit is accepted on Transferology.com.
