PROGRAM OVERVIEW
The School of Health and Rehabilitation Sciences (SHRS) is a School in The Ohio State University’s College of Medicine. The School is nationally recognized as a leader in practice-based health care education. The Health Sciences program is intended for students interested in continuing their education in a graduate field in health care, pursuing an entry level position in health care, continuance of an earned associates, and pursuit of their CHES Certification. Students interested in graduate school pursue degrees in areas such as Occupational Therapy, Physical Therapy, Medicine, Public Health, Hospital/Health Services Administration, Nursing, Veterinary Medicine, and/or another graduate program of their choice upon graduation. The Health Sciences program also offers the opportunity for students to enter the health care field in various community education and patient center management positions.

It is strongly recommended that prospective students schedule an appointment with their pre-HRS advisor. If you are not a pre-HRS student, you must complete an online major information session prior to meeting with a pre-HRS advisor. Prospective students such as baccalaureate degree-holders, transfer, international, or those that have time commitment issues such as student athletes and band members are strongly encouraged to meet with a pre-HRS advisor to discuss special circumstances which may apply.

ADMISSION & APPLICATION PROCEDURES
Applicants must meet the following minimum requirements and submit requested materials to be considered for admission. The application deadlines are as follows.

- **Summer 2020:** March 9, 2020
- **Autumn 2020:** June 25, 2020
- **Spring 2021:** November 11, 2020

1. An electronic application is available online at [gpadmissions.osu.edu](http://gpadmissions.osu.edu) which must be completed and submitted with all required supplemental documents, if applicable.
2. A minimum 2.50 cumulative GPA is required in all coursework taken at all accredited institutions. All post-secondary coursework is considered. Although a 2.5 GPA is the minimum, the average GPA is higher.
3. Completion of all prerequisite courses or their equivalents with a **C- or higher before beginning the professional program.**
4. First and second year (3.0 GPA), Honors and Scholars Students can be directly admitted into the Health Sciences program. Please contact an SHRS Advisor to see if you qualify.

DEGREE REQUIREMENTS
The minimum total hours to graduate from The Ohio State University, Health Sciences program is 120 semester hours. Some students may need to take one or more general elective courses to meet the minimum total credit hours required for graduation. This includes all general graduation requirements, general education curriculum, admission prerequisites, program prerequisites, professional curriculum, and courses for a mandatory minor. Remedial, conditional, and repeated coursework do not count towards the minimum hours. Students must complete a minimum of 30 hours to meet the residency requirement.

GENERAL EDUCATION (18 SEMESTER HOURS THAT DO NOT DOUBLE COUNT AS PREREQUISITE COURSES)
SHRS students must complete all General Education (GE) before graduating from the University. Some of these requirements overlap with program prerequisites or professional curriculum courses. The required coursework is listed below:

- **Writing (6 hours)**
- **Data Analysis (3 hours)**
- **Social Science (6 hours)**
- **Math (4-5 hours)**
- **Literature (3 hours)**
- **Global Studies (0-6 hours)**
- **Art (3 hours)**
- **Science (10 hours)**
- **Historical Study or Culture & Ideas (3 hours)**
- **History (10 hours)**
- **Social Diversity in the US (0-3 hours)**
- **Open Options (6 hours)**

PROGRAM PREREQUISITES & COREQUISITES (34-37 SEMESTER HOURS INCLUDING COURSES THAT DOUBLE COUNT AS GE COURSES*)
Students who wish to apply to the Health Sciences program must complete all prerequisite courses or their equivalent with a **C- or higher before starting the program.** Please note that Math 1148 can not be taken concurrently with Chemistry 1210.

**Program Prerequisites (once admitted, 2 years of schooling)**

- **College Level Math**
- **Three Sciences (one with lab)**
- **Anatomy**
- **Human Physiology**

**Co-Requisites (to be completed while in the professional program)**

- **Psychology**
- **Sociology**
- **Medical Terminology**
- **Statistics**

**OSU Course Equivalents**

- **Math 1148 or 1149 or 1150 GE**
- **BIO 1101 or 1113 or CHEM 1110 or 1210 or 1220 or PHYSICS 1200 GE**
- **ANATOMY 2300 or 3300 or EEOB 2510 GE**
- **EEOB 2520 or PHYSIO 3200 GE**
- **PSYCH 1100 GE**
- **SOCIOLOGY 1101 or RURLSOC 1500 GE**
- **HTHRHS 2500 or CLSSCS 2010**
- **STATS 1350 or 1450**

*This list may not include all accepted courses towards program prerequisites.

It is up to the student to be pro-active in identifying graduate programs of interest so that they can schedule the 3 science courses accordingly.
PROFESSIONAL CURRICULUM (47 SEMESTER HOURS)

The professional curriculum includes courses available to students who have been admitted to the professional program. Students may complete the coursework on a part-time basis, however, course offerings by semester are subject to change.

SUGGESTED SCHEDULING PLAN

The following plan demonstrates how students may complete the Health Sciences program in eight semesters. The semester and year in which some courses are placed can be adjusted to meet the individual needs of students.

PRE-MEDICINE SCHEDULING PLAN: BASED ON 4 YEAR COURSE OF STUDY (COURSE OFFERINGS ARE A TENTATIVE PLAN AND SUBJECT TO CHANGE)

*BLUE indicates Biology minor course. (may pursue minor other than biology).  *RED indicates graduate program level pre-requisite. These courses may overlap with GE's and the professional curriculum.

ADDITIONAL INFORMATION

It is strongly recommended that prospective students schedule an appointment with their pre-HRS advisor. If you are not a pre-HRS student, you must complete an online major information session prior to meeting with a pre-HRS advisor. Further information can be accessed online. Prospective students such as baccalaureate degree-holders, transfer, international, or those that have time commitment issues such as student athletes and band members are strongly encouraged to meet with a pre-HRS advisor to discuss special circumstances which may apply.
