

## PROGRAM OVERVIEW

The Medical Laboratory Science (MLS) post baccalaureate certificate program is to prepare students who have earned an undergraduate degree outside of medical laboratory science to become nationally registered medical laboratory scientists and work in clinical laboratory positions. Students that successfully complete the certificate are eligible to sit for the [national examination](#).

## APPLICATION REQUIREMENTS

- 1 GPA of 2.50 or higher**  
A minimum 2.50 cumulative GPA (on a 4.0 scale) is required in all coursework taken at any accredited institutions.
- 2 Prerequisite Courses**  
All prerequisite courses or their equivalents must be completed with a **C- or higher by the end of summer term, 2021.**
- 3 Earned Baccalaureate Degree**  
An earned baccalaureate degree from an accredited college or university. Applicants are responsible to determine that the completed baccalaureate degree meets the guidelines set forth by the [ASCP BOC](#).
- 4 Online Application**  
[The application is available online](#), which must be completed and submitted with all required supplemental documents if applicable. [Application FAQ can be found here](#).

*Although a personal interview will not be offered, applicants will be asked on the application to outline their knowledge of the profession and personal career goals. The program will give individual consideration in the admission assessment to courses taken and applicant experiences.*

## APPLICATION DEADLINE

The Medical Laboratory Science post baccalaureate certificate program admits once per year, with students beginning in the Autumn term. The application deadline for autumn 2021 is January 31st, 2021. The professional program will begin August 24, 2021.

## CERTIFICATE REQUIREMENTS

The Post Baccalaureate Certificate in Medical Laboratory Science requires a minimum of **57 credit hours**. The program includes 6 weeks of a clinical practice in the final semester of enrollment. Since this is not a degree program, students do not need to complete general education requirements.

## PREREQUISITE COURSES

*These courses must be completed prior to beginning the professional program. Ohio State course numbers shown below.*

**Math 1150 or higher**

**Microbiology 4000.01**

**Chemistry 1210**

**Chemistry 1220**

**Biology 1113**

**Statistics 1450.01**

**Molecular Genetics 4500\*\***

**Organic Chemistry Sequence (2 courses) \*\***

*Chemistry 2510 and BioChem 4511, or*

*Bio Pharm 3311 and 3312*

*\*\*Students may be admitted prior to completion of these courses, although completion of courses creates a stronger application. Courses must be completed before Autumn semester of second year in professional program.*

YEAR 1					
Autumn		Hrs	Spring		Hrs
MLS 4400	Phlebotomy Lecture	1	MLS 5000	Microbiology I Lecture	3
MLS 4405	Phlebotomy Lab	1	MLS 5005	Microbiology I Lab	2
MLS 5100	Microbiology II Lecture	3	MLS 5150	Microscopy Lecture	2
MLS 5105	Microbiology II Lab	1	MLS 5155	Microscopy Lab	1
MLS 5050	Hematology Lecture	5	MLS 5200	Immunology Lecture	3

MLS 5255	Immunohematology Lab	2	HTHRHSC 5300	Management and Human Resources	3
MLS 5400	Mol. Tech. Lecture	2			12
		15			

## CERTIFICATE COMPLETION

To obtain the certificate, student must successfully complete all required certificate courses with a minimum C- grade required for each course. Students must also maintain a minimum 2.2 cumulative GPA in the program. Due to the nature of the program, transfer credit cannot meet any certificate requirements, except for prerequisite courses.

Prior to the enrollment of the last semester, an application to graduate must be submitted to the HRS Student Services Office to formally receive the certificate at the end of the semester of course completion. Students who successfully complete the certificate are not eligible to participate in graduation ceremonies, as a diploma will not be issued. A completion document in the form of a certificate will be mailed to the student after the semester of completion.

The program curriculum is completed in sequence and students may complete the program on a **part-time basis**. However, there is **no provision for evening-only enrollment**.

Students who intend to transfer credit to Ohio State may view how credit is accepted on [Transferology.com](http://Transferology.com).
