The above plan demonstrates how students may complete the Radiologic Sciences & Therapy Online BS Degree Completion program in 5 terms. The professional curriculum is completed in sequence and students may complete the program on a part-time basis. However, **there is no provision for evening-only enrollment**. The timeline will vary depending on the amount of general education courses the student needs to complete.

Please be advised that only the professional curriculum is available online. Program prerequisites and general education courses are not guaranteed to be available online at The Ohio State University. As a result, alternate course planning may be required. Suggested courses should be planned when preparing for the Certified Radiology Administrator's (CRA) certification exam.

Students who intend to transfer credit to Ohio State may view how credit is accepted on Transferology.com.
