

PROGRAM OVERVIEW

The AS to BS Degree Post Primary Certification program is designed for individuals holding a certification in radiography, radiation therapy, nuclear medicine technology, or sonography from the American Registry of Radiologic Technologists (ARRT), the Nuclear Medicine Technology Certification Board (NMTCB), or the American Registry of Diagnostic Medical Sonography (ARDMS) who would like to continue their education to the baccalaureate level focusing on post primary certification through the ARRT. This program requires each student to choose one post primary area of specialization including one of the following: computed tomography (CT), magnetic resonance imaging (MRI), mammography, vascular interventional radiology. *Students interested in specializations that are not within the usual scope of practice of their primary area of certification should follow the traditional Radiologic Sciences and Therapy curriculum for their new area of interest. Additionally, students interested in quality management/administration should follow the online administration/management track curriculum guide.*

APPLICATION REQUIREMENTS

- 1 GPA of 2.50 or higher**
A minimum 2.50 cumulative GPA is required in all coursework taken at any accredited institutions.
- 2 Prerequisite Courses**
All prerequisite courses or their equivalents must be completed with a **C- or higher by the end of spring term, 2021.**
- 3 Online Application**
[The application is available online](#), which must be completed and submitted with all required supplemental documents if applicable. [Application FAQ can be found here.](#)
- 4 Letters of Recommendation**
Three letters of recommendation (one addressing academic experience, one addressing clinical experience, and one addressing personal attributes) must be uploaded to the application.
- 5 Proof of Certification**
A copy of applicant's Certification Card must be uploaded to the application.

PREREQUISITE COURSES

These courses must be completed prior to admission to the major. Ohio State course numbers shown below.

Math 1148

Anatomy 2300.04 or 3300.01

Human Physiology (EEOB) 2520

Statistics 1350.01 or 1450.01

HTHRHS 5500

In addition, applicants must have taken a **college course in Chemistry and Biology.**

APPLICATION DEADLINE

The application deadline for Summer 2021 is January 31st, 2021. The professional program will begin May 12, 2021.

DEGREE REQUIREMENTS

The minimum total hours to graduate from The Ohio State University with a Bachelor's of Science in Health and Rehabilitation Sciences is 120 credit hours. **Thirty credit hours must be completed at The Ohio State University** to establish residency for graduation. Please be advised that the credit hours for the professional coursework **will not meet the residency requirement.**

Students should [reference their degree audit](#) to ensure they are completing all required components of the degree program. This includes [general education](#), program prerequisites, and professional curriculum. Students are encouraged to complete all [general education](#) before applying to the online Bachelors of Science degree completion program to adhere to the suggested schedule outlined on the next page. The curriculum includes all knowledge and practical skills required for professional credentialing.

Summer	Credit Hours
RadSci 4530 – Quality Management in Radiologic Sciences	3
RadSci 3200 – Evidence Based Practice in the Radiologic Sciences	2
Total:	5

Autumn	Credit Hours
HTHRHS 5900 – Health Sciences Research: Interpretation and Applications	3
HTHRHS 5510 – Pharmacology	2
Advanced Radiography Practicum (Choose One):	3
RadSci 5089 – CT Practicum	
RadSci 5189 – MRI Practicum	
RadSci 5289 – Mammography	
RadSci 5489 – RadSci Education	
RadSci 5589 – Vascular Intervention	
Total:	8

Spring	Credit Hours
RadSci 4326 – Management Strategies in Radiologic Sciences	2
Advanced Radiography Practicum (Choose One):	3
RadSci 5089 – CT Practicum	
RadSci 5189 – MRI Practicum	
RadSci 5289 – Mammography	
RadSci 5489 – RadSci Education	
RadSci 5589 – Vascular Intervention	
Total:	5

The above plan demonstrates how students may complete the post primary certification program in 3 terms.

The professional curriculum is completed in sequence and students may complete the program on a **part-time basis**. However, there is **no provision for evening-only enrollment**. The timeline will vary depending on the amount of general education courses the student needs to complete.

Students who intend to transfer credit to Ohio State may view how credit is accepted on Transferology.com.
