The School of Health and Rehabilitation Sciences
Radiologic Sciences and Therapy
Online Bachelors of Science Degree Completion
Administration/Management

The School of Health and Rehabilitation Sciences (SHRS) is a School in The Ohio State University College of Medicine. The School is nationally recognized as a leader in practice-based health care education. For more than five decades, the School has prepared students to achieve personal and professional excellence, as they pursue an exciting career in healthcare.

PROGRAM OVERVIEW

The AS to BS Online Degree Completion program is designed for individuals holding a certification in radiography, radiation therapy, nuclear medicine technology, or sonography from the American Registry of Radiologic Technologists (ARRT), the Nuclear Medicine Technology Certification Board (NMTCB), or the American Registry of Diagnostic Medical Sonography (ARDMS) who would like to continue their education to the baccalaureate level. The student will follow a focused track of administration/management.

ADMISSION & APPLICATION PROCEDURES

Applicants must meet the following minimum requirements and submit requested materials to be considered for admission. The application deadline for 2020 is January 31st, 2020. The professional program will begin August 2020.

1. An electronic application is available online at http://gpadmissions.osu.edu/profhrs.html which must be completed and submitted with all required supplemental documents, if applicable.
2. A minimum 2.50 cumulative GPA is required in all coursework taken at all accredited institutions. All post-secondary coursework is considered.
3. Completion of all prerequisite courses or their equivalents with a C- or higher by the end of summer semester, 2020.
4. Submission of three letters of recommendation, one addressing your academic experience, one addressing your clinical experience, and one addressing your personal attributes. Submission is completed via the application.
5. Submission of Certification Card. Submission is completed via the application.

DEGREE REQUIREMENTS

The minimum total hours to graduate from The Ohio State University is 120 semester hours. The program requires a minimum of 120 hours barring special circumstances. This includes all general graduation requirements, general education curriculum, program prerequisites, and professional curriculum. Thirty credit hours must be completed at The Ohio State University to establish residency for graduation. Please be advised that the credit hours for the professional coursework will not meet the residency requirement. Remedial, conditional, and repeated coursework do not count towards the minimum hours for graduation or residency.

GENERAL EDUCATION

Prospective students are encouraged to complete all General Education (GE) before applying to the online bachelors of science degree completion program to adhere to the suggested schedule. If not, time to degree will be extended. Be advised, some GE courses overlap with program prerequisites. The required degree course work is listed below:

Students are encouraged to double count the global and social diversity GE requirements with other GE's.

- Writing (6 hours)
- Math (4-5 hours)
- Art (3 hours)
- Historical Study or Culture & Ideas (3 hours)
- Data Analysis (3 hours)
- Literature (3 hours)
- Science (10 hours)
- Social Diversity in the US (0-3 hours)
- Social Science (6 hours)
- Global Studies (0-6 hours)
- Historical Study (3 hours)
- Open Options (6 hours)

PROGRAM PREREQUISITES

Students who wish to apply to the online bachelors of science degree completion program must have completed all of the following program prerequisite courses or their equivalent with a C- or higher by the end of summer semester, 2020. In addition to the program prerequisite courses listed below, applicants must have appropriate college credit in both Chemistry and Biology prior to applying.

Math 1148  EEOB 2520  Anatomy 2300.04 or 3300
The following plan demonstrates how students may complete the Radiologic Sciences & Therapy Online BS Degree Completion program in 5 terms. The professional curriculum is completed in sequence and students may complete the program on a part-time basis. However, there is no provision for evening-only enrollment. The timeline will vary depending on the amount of general education courses the student needs to complete. Please be advised that only the professional curriculum is available online. Program prerequisites and general education courses are not guaranteed to be available online at The Ohio State University. As a result, alternate course planning may be required. Suggested courses should be planned when preparing for the Certified Radiology Administrator’s (CRA) certification exam.

The course offerings are a tentative plan and subject to change.

### ADDITIONAL INFORMATION

It is strongly recommended that prospective students schedule an appointment with a HRS pre-major advisor. If you are not a pre-HRS student, you must complete an online major information session prior to meeting with a pre-HRS advisor. Further information can be accessed at hrs.osu.edu under the admissions tab.
