

The COTAD Chapter at The Ohio State University

Coalition of Occupational Therapy Advocates for Diversity

WELCOME!

We are a chapter of COTAD National (COTAD.org) that promotes dialogue and learning around topics of justice, equity, diversity and inclusion (JEDI). We hold events, workshops and dialogues to encourage learning around JEDI topics and how we can implement them into OT practice. Our goal is to create safe and enjoyable learning spaces so we can make a greater impact in the lives of the clients we will be serving simply because we chose to listen, learn, and support each other.

Here's what we do:

hold biweekly discussions
on various topics
promoting inclusivity

connect with others who
are dedicated to
learning

learn how to implement
aspects of JEDI into OT
practice

listen, learn and interact
with experts in the field

share and learn from
each other's stories,
experiences and
knowledge

develop resources for
future cohorts
