

Curriculum Vitae guidelines
Ohio State School of Health and Rehabilitation Sciences

Please make sure your CV includes:

- All relevant education (degrees and institutions, certifications, licenses, credentials)
- Work experience (titles and job responsibilities)
- Teaching (courses taught, mentoring activities, continuing education provided)
- Scholarship (publications, presentations, grants)
- Professional development activities that have improved your skills relevant to this position (for teaching, mentoring, grant-writing, management, leadership, diversity/equity/inclusion, etc.)
- Service (academic and professional) activities
- Awards and other recognition

You should include a one-page CV summary as the first page that highlights your key accomplishments, skills, and qualifications that match the job posting.
